| 7. chain               | 8. wooden droplet   | 9. top centre column |
| 10. sleeve             | 11. central body    | 12. light arm        |
| 13. mounting plate     | 14. wood bowl       | 15. threaded rod     |
| 16. bottom centre body | 17. decorative leaf | 18. wood finial      |

1. Shut off power before installation.
2. Fix the mounting strap to ceiling.
3. Remove the wood finial, decorative leaves, bottom centre column, and wood bowl from the threaded rod.
4. Install light arms with wires to the mounting plate, fixing with washers and nuts. Then, connect wires to wires matching the color.
5. Put the wood bowl, bottom column back onto the threaded rod and fix with nut. Then put on the decorative leaves and screw in wood finial.
6. Screw the central body onto the mounting plate. Feed the main wire through the top centre column, and screw the top centre column into the central body.
7. Feed main wire through the chain connectors, chain and canopy. Connect chain to the top chain connector and screw the bottom chain connector onto the top centre column.
8. Connect the main wire with wire connectors to the corresponding wires in ceiling.
9. Attach the canopy to the mounting strap and screw the top chain connector onto the mounting rod, fixing with lock nut.
10. Hang the wooden droplets to the light fixture.
11. Install the sleeves and light bulbs (not included with the light fixture). Turn on the power and test.
